

REMARKS

The Specification has been amended in order to list Figures 1 and 2 in the Brief Description of the Drawings as requested in the Notice Of Drawing Inconsistency With Specification. Support for this amending is found in the Specification, in particular, pages 1-2 and Figures 1 and 2.

The Application is deemed in condition for allowance and such action is respectfully urged. Should the patent Office believe that minor differences exist which, if overcome, would pass the Application to allowance and that said differences can be discussed in a phone conversation, the Patent Office is respectfully requested to phone the undersigned at the number provided below.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Carlo S. Bessone". The signature is fluid and cursive, with the first name "Carlo" and last name "Bessone" clearly distinguishable.
